Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for person-centered technology for adults with disabilities in fiscal year 2023. The entity to receive funding for this project is Bancroft, located at 1255 Caldwell Road, Cherry Hill, New Jersey 08034.

The funding would be used to empower individuals with disabilities to live independently through the use of assistive technology. The goals are to promote person-centered technology to enable the highest level of independence, elevate and expand access to Assistive Technology Services and develop technology plans to assist families at home.

I certify that neither I nor a member of my immediate family has any financial interest in this project.

Thank you again for your consideration of this request.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
